

Dear ms. Carmona, Please be advised that the Committee is filing the Form 3L report simultaneously with this correspondence. Said filing is in response to your letter dated February 19, 2010. The committee had been under the assumption that no bundling report needed to be filed since there was no bundling activity for the period of 10/1/09-12/31/09 and that all bundling activiy was previously reported on the October Quarterly report. Upon reciept of your letter the committee reviewed the rules and filed the report immediately. We trust this remedies said February 19, 2010 letter, however, feel free to contact us at 718-457-8585 should there be anything further you require in this regard. Sincerely, SCOTT G. KAUFMAN, Treasurer.
